paraskavedekatriaphobia

a word derived from the concatenation of the Greek words Paraskeví (meaning Friday), and dekatreís (meaning thirteen), attached to phobia (meaning fear). This is a specialized form of triskaidekaphobia, a simple phobia (fear) of the number thirteen, and is also known as friggatriskaidekaphobia. The term triskaidekaphobia was derived in 1911 and first appeared in a mainstream source in 1953. (Source <http://Wikipedia.com>)

2009 has three Friday the 13ths, Feb, Mar and Nov. But as an **Optimist**, living our creed, this is just another day for great things to happen!!
